<fpacharya@mof.gov.np>;

Abstract—The purpose of this study was to determine the effect of a 12-week training program on the heart rate (HR) and heart rate reserve (HRR) of sedentary middle-aged men. The subjects were divided into two groups: a control group and an exercise group. The exercise group performed a 12-week training program consisting of three sessions per week, each lasting 30 minutes. The control group did not participate in any exercise program. The HR and HRR were measured at rest and during maximal exercise at the beginning and end of the 12-week period. The results showed that the exercise group had a significant decrease in HR and HRR at rest and during maximal exercise compared to the control group. The control group showed no significant changes in HR and HRR. The findings suggest that a 12-week training program can improve cardiovascular fitness in sedentary middle-aged men.

INVITATION FOR APPL

INVITATION FOR APPLICATIONS

Ishwori Prasad Aryal
Joint Secretary
International Economic Cooperation and Coordination Division
Ministry of Finance
Kathmandu, Nepal

Prof. Y. S. Jaiswal

7/1

Dear Mr. Aryal,

We are writing to you to invite nominations for candidates to the MA in Policy Economics program at Williams College from the Government of Nepal. The program is a specialized master's degree in economics for public sector officials from developing nations. We are currently accepting applications for the next session, running from August 2022 through June 2023.

In the past 20 years Williams College has trained 8 Nepalese professionals, primarily from the National Planning Commission, the Ministry of Finance, and the Nepal Rastra Bank. We look forward to training more professional economists from your country next year and in the future.

PRE-CONDITIONS FOR APPLICANTS

The annual admissions process is highly competitive with a maximum of thirty places available each year for candidates worldwide. In recent years fewer than 10% of applicants have been admitted. Minimum qualifications for consideration are as follows:

- A bachelor's degree demonstrating strong academic performance with economics as the major or minor field of study. In most cases, successful applicants have earned grades ranking in the top 10% of their university class. Many candidates already hold master's degrees from their home countries;

- Several years of experience working on economic development issues in the public sector. We value the responsibility achieved by a candidate more than simply the number of years of work experience;
- An effective command of spoken and written English. TOEFL scores of most admitted candidates are above 600PBT/100iBT, with a minimum required score of 80iBT (TOEFL) or 6.0 (IELTS);
- Evidence of very strong computer and quantitative skills. GRE quantitative scores of admitted candidates are usually above 155 (new scoring system) or 700 (old scoring system); and
- Evidence of the ability, maturity, and motivation to make a lasting contribution in one's country.

TIMELINE

The key steps in the application process and their timing are as follows:

December 1, 2021: Application deadline. Visit website, <http://cde.williams.edu>, and complete the application steps detailed in the section "Admission and Funding." Submit GRE and TOEFL or IELTS scores by December 15, if available.

Early January 2022: In countries where the GRE is not widely available, selected candidates may be invited to take a CDE test of quantitative skills and English reading. This test may be offered in up to 40 countries each year, and is provided at no cost to applicants.

Mid to late January 2022: Selected candidates will be interviewed by Zoom or Skype.

February/March 2022: The CDE Admissions Committee (professors and staff) will meet to discuss candidates and make admissions selections.

May to July 2022: Enrolling candidates will apply for US J-1 visas with support from Williams College staff.

August 2022: Enrolling students will fly to the US and begin full-time study through early June 2023..

FUNDING

After individuals are selected for admission, Williams College will work to arrange scholarship funding based on demonstrated financial need. Once funding is finalized, Williams College will initiate the US visa process for study.

We greatly appreciate your help in identifying those from your country who can make best use of this challenging opportunity. We will be pleased if information about the MA in Policy Economics can be shared within your institution and among other appropriate public sector offices. Please find attached our program brochure for additional information about the program.

Thank you very much for your time and consideration.

Sincerely,

Thomas S. Powers
Director
